LEE HARVEY OSWALD, aka
IS R CUBA

This will confirm telephone call between SA EMORY E. HORTON of the Dallas Office and ASAC PAUL R. BIBLER of the Houston Office on 12-31-63.

LONNIE HUDKINS of the Houston "Post"

On 12-29-63, Mrs. RUTH PAINE, Irving, Texas, telephonically advised that she had been contacted by LONNIE HUDKINS of the Houston "Post" who was considering writing an article involving the OSWALD family.

HUDKINS referred to an article which he said had appeared in the New York "Times" of either 12-27 or 12-26-63. This article conjectured that LEE HARVEY OSWALD probably made a deal with the U. S. Government to work in its behalf in anti-subversive endeavors in return for being granted permission to return to the United States. The article reportedly continues that OSWALD probably was not being watched any more closely by the FBI because he, OSWALD, was working for or on behalf of the Government.

HUDKINS reportedly brought up that a "socially prominent woman" (not further identified), for whom OSWALD's mother had worked in Fort Worth about a year or so ago, was supposed to have been told at that time by the mother that LEE HARVEY was doing important anti-subversive work for the Government.

The Dallas Office is unable to identify the "socially prominent woman" referred to above, therefore, is asking Houston to contact LONNIE HUDKINS for the purpose of obtaining this person's identity so she can be interviewed by the Dallas Office.
